STUDENT LEADER ASSEMBLY

Congratulations to our wonderful Student Leaders who conducted the Assembly last week and showed excellent leadership skills in running the Assembly with confidence and smoothness. Also thank you to Mrs Reed for assisting the Student Leaders and drawing a conclusion to Book Week with the book character Parade.

CREEC EXCURSION

Today our Year 1 to Year 6 students have experienced an excellent excursion opportunity to CREEC (Canning River Eco Education Centre). The excursion is focused around NAIDOC week celebrations and the curriculum area of Humanities and Social Sciences, allowing our students to participate in activities that encourage and develop an understanding of Aboriginal culture and how they connected to the land. The excursion will encourage our students to interact with the natural environment and investigate the ways in which animals, plants and people interrelate in local places.

The activities will include NAIDOC games, Canning River stories, Art, Birds Eye View Walk, Bush detective, and I Spy Sensor Walk.

The Wonderful Writers presentation at this Week's NAIDOC assembly will be related to the excursion.

The excursion, links to the curriculum, and the NAIDOC Assembly has been coordinated and led wonderfully by Ms Anderton and Mrs Reed as well as staff in their related classroom activities.
