Online Resources For Parents And Carers With Young Children
We have a number of online resources to support parents and carers. They provide parents with ways to build their children's development and confidence through easy to use and fun activities that can be incorporated into daily life:

- **Learning at home**: A guide to parents/carers of children aged 3 to four years;
- **Hello School!**: A guide for parents/carers of children in Kindergarten to Year 1;
- **Say hello to school**: A reading book for Aboriginal families;
- **Reading: Light up your child’s imagination**: A guide for parents/carers of children in Kindergarten to Year 2;
- **Numbers: Showing children they count**: A guide for parents/carers of children in Kindergarten to Year 2; and
- **Writing and spelling: the world of words**: A guide for parents/carers of children Kindergarten to Year 2.

These online resources are available for schools and parents on the Department of Education website.
