

Dear Parents and Community Members

## Pre Primary Assembly

It was such a delightful way to start the day last Friday with the Pre-Primary assembly item "Going on a Bear Hunt". They finally found the bear and what a happy, friendly bear he was! The children recited and performed the actions so well. Well done Pre-Primaries and thanks to Mrs Heffernan and Mrs Burette who came in on their days off to make sure the children were comfortable performing.

## School Contributions

If families still haven't paid school fees for this year, please consider paying to assist the school to purchase student resources. We are a very small school and rely on fees to supplement the Student Centred Funding we receive from the Education Department. Our fees are the lowest in the area at \$45.00 per student.

## Kindergarten and Pre Primary 2018

Applications for Kindergarten places for 2018 are now open. If you or your friends have children starting Kindergarten in 2018, please contact the office for an application. Pre Primary applications are also available from the office, if you currently have a child in kindergarten at Orange Grove you will need to submit an application for enrolment for Pre Primary 2018.

## National Walk and Ride to School Day

This is being held on Friday 19 May and children and parents are encouraged to walk or ride to school if possible. All children walking or riding to school will be met at the path by Mr C with a sticker and Izzy the mascot will greet children at the gate to the school. I hope the weather stays fine for the morning. **Breakfast** - There will be a free breakfast donated by Foodbank for all children in the undercover area to celebrate National Walk & Ride to School Day.

## Canning River Eco Education Centre

Children from years 2 to 6 are going on an excursion to the Canning River Eco Education Centre on Monday 22 May. The bus departs the school at 8.45am so please make sure your children are at school by 8.15am to prepare for departure. A reminder note is being sent out by the teachers. Thank you to Miss Anderton and Mrs Wilson for organising this excursion. This excursion would normally cost \$12 per child but due to the PALS grant that the school received and the P&C subsidy the cost is down to an affordable \$3.00.

## Staff Movements

Congratulations to Miss Cole who has been offered a temporary position as Principal of Westfield Park Primary School commencing on Monday 22 May till the end of term. In Miss Cole's absence, Mrs Heffernan will be stepping up as Deputy Principal. Interviews are being held to appoint a full time qualified early childhood teacher to the Pre-Primary class commencing Monday 22 May. I will announce and advise parents of the successful applicant as soon as it is decided.

### Chaplain's Chat – Joy despite Crime

A couple of weeks ago my home was the target of robbery. Someone was 'kind enough' to park in my driveway, kick down my front door, rummage through my home, steal our belongings (some irreplaceable), then drive off. Generally, this would not be a joyful experience, but in moments like these we learn much about ourselves. Spookily, OPGS's value this month is 'joyfulness'. As we have been discussing in class, joyfulness is a "deep down feeling of happiness which rises from knowing that I am loved". Happiness comes and goes with the ups and downs of life. However, joyfulness is not so fickle because feeling loved gives us a deep calmness of spirit inside, allowing us to ride the bumps of life whilst retaining a sense of joy and peace.

*Back to my story.* To my pleasant surprise, even in the midst of unpleasant circumstances, I actually experienced joyfulness arriving home that day. I had a strangely comforting sense of peace despite just being robbed. Knowing that I am deeply loved gave me perspective and there was no way such a crime was going to steal my joy. So, go forth to love and be loved. It will make a joyful difference to you and those around you...
