

From the **Principal**

Thank you to all who went on the highly successful excursion to Kings Park on Tuesday! Talking to parents and staff and more importantly our students a good time was had by all! The educational value that it affords students and the learning experience make it all worthwhile. The Kings Park Science team provided integrated and innovative talks in native plant biology, underpinning conservation and ecological restoration of Western Australia's unique land. However, it would be a mistake to think that such positive experiences happen by chance when in fact it was a highly organised and well planned event ably led by Miss Anderton. Well done Bec!

We also recently joined together as a whole school to listen to the National Simultaneous Storytime story of 2022 'Family Tree' in the CAVE. Thank you to Mrs Smith for setting up for the reading and also the P&C who organised donations to the students of plants and seedlings to take home and grow. The story celebrated family, community and the seasons of life to cherish and to share.

P&C Meeting

The next P&C Meeting will be held on Tuesday 7th June at 6pm in the Art Room. We would love to see more parents and community members at the meeting. Please come along and see how the P&C assist the school community.

WA Day Public Holiday

Monday 6th June is a public holiday for WA Day. Students return to school on Tuesday 7th June.

Young Leaders Conference

All the student leaders went to the Young Leaders' Conference today at the Perth Convention Centre and were inspired by many speakers including Tim Gossage, Gemma Houghton, Lachie Smart and Brant Garvey. This program is designed to benefit any student who shows an interest in developing their leadership potential.

From the **School**

2023 Kindy & Pre-Primary

Applications for Kindergarten and Pre-Primary are now open until Friday 22nd July 2022. Please contact the office for an application form. Attendance at Kindergarten is optional; however, it is recommended that all eligible children attend to develop foundational skills in literacy, numeracy and social interactions. As Orange Grove PS is a non-local intake school, attendance at Kindergarten does not guarantee a place in Pre-primary for the following year in 2024. All applications are assessed on distance to your home from school, if application numbers exceed vacancies.

Voluntary Contributions

If families still haven't paid voluntary contributions for this year, please consider paying to assist the school to purchase student resources. Our voluntary contributions are the lowest in the area at \$45. These can be paid as cash at the front office or via EFT. The details are below:

Account Name: Orange Grove Primary School

BSB: 066040

Account No.: 19900524

Please ensure you use your child/ren's surname as reference so we can apply the payment to the correct student.

Midland Photographers

If you require extra school photos of a class, individual or families, please contact Josh at Midland Photographers on 9274 4767 and he will be able to assist.

Upcoming Events

We have a few upcoming events for different year groups. Permission forms will be sent out to families and more information to follow.
