

Charges for Extra Cost Options – Schedule 2025

The term ‘charges’ refers to the extra cost of activities which are part of the educational program and which contributions do not cover. Listed in the table below are the extra cost optional activities that students may have the opportunity to participate in during 2025.

A breakdown of estimated maximum charges for your child’s participation in excursions, incursions and activities for 2025 have been included in the table below. The estimated costs provided are an upper limit and will not exceed this amount. Classroom teachers will organise excursions/incursions to support the teaching and learning program as appropriate. Students will only occur costs when they are involved in a particular activity and payment will be requested during the year when the event takes place.
